I declare that I will be over the age of 15 years on the first day of the IFCS World Agility Championships. If required I will be able to self fund the costs of representing Australia at a WAC. I will be available for the full period of the WAC, and will be available for any Team training sessions set before departure. I have access to, and am familiar with, Clean Run Course Design. I will be able to meet all pertinent requirements of the IFCS WAC Selection – Team Handler document including passport, pre-entry visa requirements into the host country and medical insurance as well as assisting with fundraising. I am prepared to accept all Roles and Responsibilities for the position of Team Handler. I acknowledge that any failure to disclose a known injury and/or condition which may impact on my ability to under the role will be grounds for removal from the Team and that ADAA reserves the right for me to undertake a medical examination at a medical professional of ADAA's choosing to confirm my "fitness" for the role. I acknowledge that it is unlikely Team Handlers will be advised of host dog matching until after the team has participated in at least one training session with host dogs.
