I declare that I will be over the age of 15 years on the first day of the IFCS World Agility Championships, ie 11 May 2012. If required I will be able to self fund the costs of representing Australia at a WAC. I will be available for the full period of the WAC, and will be available for any Team training sessions set before departure. I have access to, and am familiar with, Clean Run Course Design. I will be able to meet all pertinent requirements of the IFCS WAC Selection 2012 document including passport, pre-entry visa requirements into the USA and medical insurance as well as assisting with fundraising. I am prepared to accept all Roles and Responsibilities for the position of Team Handler. I acknowledge that any failure to disclose a known injury and/or condition which may impact on my ability to under the role will be grounds for removal from the Team and that ADAA reserves the right for me to undertake a medical examination at a medical professional of ADAA's choosing to confirm my "fitness" for the role. I acknowledge that it is unlikely Team Handlers will be advised of host dog matching until after the team has participated in at least one training session with host dogs in the USA.
